Dear Adam,

Just a quick note to thank you most sincerely for your professional care and especially for your referral to Dawson Muir early April 2008.

After a few months wait for the appointment with Dawson Muir all has certainly been most valuable indeed.
(Appointment 25 August)
Adam thank you so very much -
I now feel most confident that this rather twisted and painful foot will be sorted out soon between both Dawson Muir and Thin Hong in Hamilton.
I see Thin Hong mid October.

In the meantime your wonderful personalised orthotics are keeping me active as much as possible each day.
No doubt I shall be back to Foot Mechanics soon.

Sue H.

Kind Regards
Sue Hatchwell
