

Patient details

Ina & Milton Sardon

Name

Address 75 Harbour <sup>View</sup> Rd. Omokoroa Beach 3114.

The fact of having our toe nails trimmed every 3 months is very satisfying. Also particularly Ina's corn in the ball of her foot is most necessary.

With doing a lot of walking it is most necessary

The cleaning up of scaly patches on our feet is most satisfying.

We would find it most difficult to walk if we were not having your expert attention to our feet. Every few months

We really appreciate the effort put in by bassie.
