

ANNE TOLLEY

Member of Parliament for East Coast

13 January 2009

Mr John Miller
Radius Medical Centre
P o Box 32
WHAKATANE

Dear John,

Congratulations on winning the Bay of Plenty District Health Board Innovation and Research award.

I read with interest the article in the Bay Weekend. Foot ulcers progressing to amputation is serious indeed and your work in the field of prevention is a huge advancement.

I wish you continued success in your field.

Kind regards

Anne Tolley MP
East Coast
