

Leonie Hobman

355 Don Buck Road  
Massey  
Auckland

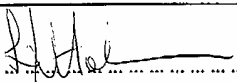

Podiatry has helped me after leg surgery in order to  
walk correctly with better posture.

It has helped with confidence in walking &  
my gait is alot stronger.

More confident on stairs

Mike Wu (podiatrist) has been awesome to work  
with, very professional & helpful. Nothing is too  
much trouble.

Great Service.
